

Wordle Task

Each PLP Task starts with the same 2 activities – a Wordle using the Capabilities text and a Mind Map using Assessment Design Criteria.

The following examples give you an idea of what the **Wordle** for each Task might look like.

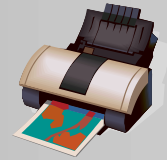

Step 1: Understanding My visualization Task

Capability: Personal Development

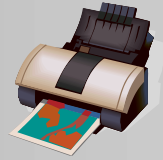

Word cloud visualization centered around the theme of student development and learning. The most prominent words are "Students", "school", "learning", "explore", and "skills".
